Forecast for Sunday 22 Oct 2023

Weather: Cloudy with patchy rain at times, mainly over northern ranges, overnight. Rain will clear through the morning leaving a few isolated showers by the afternoon. A cloudy start to the day with sunny spells increasing from the afternoon. Strong west to southwest winds continue at height through the day.

Chance of cloud-free hill tops above 800m: 20% increasing 60% later.

Low Cloud and visibility: Extensive cloud 500-600m in the early morning soon breaks, rising to above 750m. The visibility will be very good out with cloud and any showers.
